

Nordea Heracles scoops CTA award

Stockholm (HedgeNordic) - The Nordea Heracles Long/Short MI Fund was awarded best CTA under 500 million USD for its risk/adjusted returns over the last 3 years at the CTA Intelligence European Performance Awards.

No other Nordic managers were among the winners. Lynx and IPM however were given the rating "highly commended" in their respective categories "trend follower over 500 musd" and "systematic macro".

MAN AHL was awarded management firm of the year and Leda Braga from Systematica Investments, a BlueCrest spin-off, was handed the "outstanding contribution" award.
