

# **Helsinki Capital, Merrant, OPM and PEAK win AI Hedge Fund Awards**

Stockholm (HedgeNordic) - Acquisition International have recognised four Nordic names in their annual AI Hedge Fund Awards.

Helsinki Capital Partners (HCP), the Finnish asset manager headed by Tommi Kemppainen (see HedgeNordic interview [here](#)), was awarded Best Multi-Strategy Asset Manager - Finland for their HCP Black Fund as well as Best New Sustainability Fintech for HCP Spirit, an initiative that aims to incorporate social responsible investments into HCP's everyday work.

Swedish market neutral Fund of Hedge Fund Merrant, co-managed by Ulf Sedig and Rolf Hagekrans, received the award for Best Portfolio Manager - Sweden and Best Global Market Neutral FoHF (5 years) for its Merrant Alpha Select fund.

Swedish fund of hedge fund Optimized Portfolio Management (OPM), headed by Simon Reinius, was awarded Best Fund Manager - Sweden and Best Nordic Fund of Funds for its OPM Omega.

Swedish asset manager PEAK, was awarded Best Asset Management Firm - Sweden and Best Market Neutral Fund of Funds (since inception) for its Peak Core Hedge fund.
