

# QQM appoints head of investor relations

Stockholm (HedgeNordic) - QQM Fund Management, the Swedish fund company that runs the market neutral systematic long/short equity hedge fund QQM Equity Hedge, has appointed Andreas Julin as head of investor relations, according to a news release.

Julin was previously with SEB where he worked as client executive for Swedish and international hedge fund clients. Julin had been with SEB for 16 years.

Julin will join QQM on May 2 and will be responsible for developing the investor relations function of the company. Julin will also take part in business development activities.
