

# Nordic Hedge Funds Storming Performance Awards

Stockholm (HedgeNordic) – Several Nordic hedge funds have been shortlisted for this year's HFMWeek European Hedge Fund Performance Awards, which will recognize and reward the best performing European-based hedge funds of the past 12 months. The winners in each of the 42 categories will be announced at a dinner at the Hurlingham Club in London on April 26, 2018. All awards finalists will also be honored at the dinner.

The winners will be picked by a judging panel comprised of institutional investors, private investors and investment consultants, with the panel being chaired by HFMWeek editorial staff. The judging panel's decisions will consider risk-adjusted performance, qualitative information and structural criteria.
