

# Webinar: US Policy Responses to Economic Distress

Partner Content (CME Group) - Join CME Group economists Blu Putnam and Erik Norland as they share insights into the US government's responses to the severe economic stress caused by the Covid-19 pandemic.

**In this webinar, Blu and Erik will discuss:**

- Tracking the economy in the time of a pandemic
- Fiscal policy responses and the challenges of massive debt
- Fed policy responses

A CME Group account is needed to access premium content on [cmegroup.com](https://cmegroup.com)
