

# Round Table (Virtual) Managed Futures 2020

## Virtual CTA Round Table

Stockholm (HedgeNordic) - In this virtual round table discussion on Managed Futures, HedgeNordic welcomed experts from Transtrend, Quantica, Systematica and Volt Capital.

Topics discussed include the return and dispersion drivers during the Covid-crisis, risk management, alternative markets, the next generation of CTAs and more.

You will be able to view the session in full, or a shorter version with some highlights by clicking on the thumbnails below:
