

Video: Nordic Hedge Funds Continue Run

Stockholm (HedgeNordic) - The Nordic Hedge Index enjoyed its fourth consecutive month of positive returns in February. The NHX advanced by 1.3% in February, now up 1.9% on the year. The advance was broadly supported with four of the five sub-strategies gaining.

The short video gives an update on the top and bottom performers of the month, as well as brief updates from HCP Quant, Symmetry Invest and Estlander & Partners.

Also, don't miss the introduction from the five managers nominated for the "Best Nordic Hedge Fund (Overall)" at the 2020 Nordic Hedge Award.
